Teacher’s Day
October 3, 2024

With the collaborative efforts of students, these two days of preparation for Teachers' Day focused on crafting a sincere and memorable tribute and showcasing our collective appreciation.

- The day's festivities began with a grand program held at the MarSU Gymnasium, where faculty members and staff were honored and celebrated.
- Following the celebration in the gymnasium, we delighted all our faculty staff with a heartfelt appreciation song and a meticulously organized luncheon.
- The celebration took a vibrant turn with interactive games and contests that engaged both teachers and students.
- To end the program, teachers were crowned and celebrated through the traditional "putong" ceremony.

MarSU Student Week 2024
October 14-18, 2023

Students Week was an outstanding success, bringing together the vibrant talents and spirited participation of CICS students in a diverse array of activities, fostering a sense of unity, achievement, and pride within the Marinduque State University community.

- The highlight of the event came as the unity torch was lit, symbolizing the unification of the diverse student body, followed by the hoisting of flags representing the different colleges, signifying a commitment to friendly competition and camaraderie among all participants.
- All attendees participated in the Oath of Sportsmanship, enjoyed a captivating intermission performance, and witnessed the candidates for the MarSU Students' Week King and Queen have sashed.
- Achieving remarkable success, this event made a path towards uniting students from various academic fields, leaving everyone eager for the upcoming days' exhilarating contests.

CICS Awarding Ceremony (Student Week 2024)

October 30, 2024

During Students' Week, exceptional students in the College of Information and Computing Sciences received the CICS awards, which honor their extraordinary involvement and commitment to a variety of sports. These awards honored both their enthusiastic participation in the week-long activities and their outstanding accomplishments in their individual sports.

- The College of Information and Computing Sciences (CICS) caps off the Students' Week season with an Awarding Ceremony, it was made possible through the efforts of Ms. Doreena Joy C. Borja, MIT, adviser of student organization CICSSO and Ms. Ivy Joy Aguiflor, SAS coordinator of CICS and the ever-adaptive Dean of College of Information and Computing Sciences, Dr. Ronjie Mar Malinao, DIT. Without the leadership and commitment of the students and faculty, this event would not have been possible. A huge shout out to everyone who helped make this special day happen and to our distinguished guests who recognize those outstanding achievements in sports, academics, culture and arts, and the entirety of the Students' Week.
- CICS student got recognized through their excellency on the field of sport by competing with all they got in every adversary they've been put through during the student's week.
